

THE NEW DEPUTY VICE CHANCELLOR (RESEARCH AND INNOVATION)

BY: HAZLINA FAIZAL

The Research and Innovation Department (JP&I) ushered in the new Deputy Vice Chancellor (Research and Innovation) Professor Dr. Mashitah Mohd Yusoff on July 21, 2013.

Prof. Mashitah holds a PhD in Chemistry from Wichita State University, an MA in Chemistry from Western Michigan University and BS in Chemistry from Wichita State University. She has been in University management for over 10 years first as Deputy Director of the Institute of Tropical Biology & Conservation (Universiti Malaysia Sabah), then Director of the Research Management Centre (University College of Engineering & Technology Malaysia/Universiti Malaysia Pahang) and followed by Dean of Graduate Studies (Universiti Malaysia Pahang). She initiated and established the Faculty of Industrial Sciences and Technology of Universiti Malaysia Pahang in May 2008 and served as Dean until 2013.
